

PARIS PARTNER EVENT

PARIS EUROPLACE

Weds, 02nd May 2018 | 16:00-18:00 | Paris

Blockchain technology promises to be the most important innovation in business since the internet.

R3 is the world's largest network of financial institutions, regulators, trade associations, professional services firms and technology companies committed to implementing the next generation of financial infrastructure through its Corda platform.

Following their recent partnership, R3 and Paris EUROPLACE are pleased to invite you to a joint event next month to discuss the latest development on Corda as well as R3 and Paris EUROPLACE projects... and to enjoy an informal drink with both your industry peers and the R3 team.
